Two Blows, all-out signal

12-12 Military Call

5-5—No school signal, given at 8.15 a. m., 12.45 or 1.15 p. m.

INSTRUCTIONS TO KEY HOLDERS.

Alarms to be given from the box nearest the location of the fire.

Do not give an alarm for a fire seen at a distance, unless assistance is called for.

To give an alarm, open the door, pull the hook to the bottom of the slot once, and let go. Each box contains a small bell, which, if heard before you pull indicates that an alarm has been previously given, and by listening at the box, you will learn the number of the box from which the alarm was given, but in no case will you pull the hook while the alarm is striking. After giving the alarm, remain at the box so as to direct the firemen to the fire. Be sure that you lock the box before leaving it.

Citizens are requested to inform themselves where keys to the signal boxes are kept, signs suitably inscribed being placed over each box giving the requisite information.

First alarm will be given by striking two or more rounds of box number

Second alarm will be given by repeating the first alarm

Third alarm will be given by striking three blows twice on gongs, bells and whistles.

General alarm will be given by striking three blows three times on gongs, bells and whistles

CLEANSING AND DYEING

727 Massachusetts Avenue, Cambridge, Mass.

Muresco is artistic; it produces a finish that has a soft, smooth, silky appearance which is very agreeable and restful to the eye. It is cleaner and more healthful than wall-paper, wears better and is fireproof. **Muresco** is good enough for the finest decorations, cheap enough for the coarsest work.

Ask your dealer or write us for tint card, etc., also a beautiful Map and Safety Matches Free.

GOULD & CUTLER, 105 North St, Boston.

Make sure that

"MURESCO"

is not only used on the **Walls and Ceilings** of your house but also on your **Cellar Walls.** It is **White, Sweet, Clean**, fireproof and free from Arsenic. It is really cheaper than whitewash as it lasts longer, will not scale nor rub and generally one coat is sufficient.

"MURESCO"

the best wall finish, is invaluable for Churches, Schools, Halls, Houses, Basements. Buy **"Muresco"** of your Dealer or Painter.
